TO MERGE MULTIPLE HOLDINGS

If you wish to merge two or more of your Issuer Sponsored holdings that share the same registered name and address, please print the Securityholder Reference Number (SRN) of the holdings that you wish to merge in the "FROM" box. In the "TO" box please list the SRN of the holding that you wish to retain. Once the form is completed simply return it in the enclosed reply paid envelope.

Please note that only holdings with the same names can be merged. For example, a holding for Roger Ward and a holding for Roger and Mary Ward cannot be consolidated as this would alter the names of one of the holdings.

We can not merge CHES holdings (the Holder Identification Number (HIN) begins with an "X") with Issuer Sponsored holdings (SRNs that begin with an "I").

Where multiple holdings have differing instructions in relation to direct credit instructions, DRP participation, Tax File Number and communications options, the instructions on the SRN which appears in the above "TO" box will be the current instructions for your merged holdings. By completing this form, you authorise and consent to merging the nominated holdings and are satisfied with the standing instruction of the "TO" holding.
